While completion of Form WH-347 is optional, it is mandatory for covered contractors and subcontractors performing work on Federally financed or assisted construction contracts to respond to the information collection contained in 29 C.F.R. §§ 3.3, 5.5(a). The Copeland Act (40 U.S.C. § 3144) contractors and subcontractors performing work on Federally financed or assisted construction contracts to "turn in weekly a statement of each employee's wages paid each employee during the preceding week." U.S. Department of Labor (DOL) regulations at 29 C.F.R. § 5.5(a)(3)(ii) require contractors to submit weekly a copy of all payrolls to the Federal agency contracting for or financing the construction project, accompanied by a signed "Statement of Compliance" indicating that the payrolls are correct and complete and that each laborer or mechanic has been paid not less than the prevailing Davis-Bacon prevailing wage rate for the work performed. DOL and federal contracting agencies receiving this information do not review the information to determine that employees have received legally required wages and fringe benefits.
