Project Description

Does area of land disturbance exceed 10,000 square feet? YES NO

Does the area of land disturbance exceed 20,000 square feet? YES NO

Work Description (Describe & quantify area/amount of earth disturbance, changes in grade and other construction activities. Use additional paper and/or provide plan(s) of work)

Work across the rest of the 20,000 sq. ft. had previously been authorized under a standard Erosion & Sedimentation Control permit. The project includes construction of a single family home with associated driveway and utilities and limited grading. Re grade the remaining 4800 sq. footage to be the same as graded property beside it and equal to it with boulder removal.

Project Location (Use maps and plans to identify the location of the area subject to this application):

3 Lido Ave.
 Street Address _____

Assessors Map/Parcel _____

Area Description – Existing Conditions (i.e. wooded, lawn, slopes, paved, etc.):

boulders, slopes, weeds
