 BURLINGTON, MA

**FORM A**  
**APPLICATION FOR ENDORSEMENT OF A PLAN BELIEVED**  
**NOT TO REQUIRE APPROVAL**

To: The Planning Board  
 Town of Burlington, Massachusetts

Date: August 4, 2017

The undersigned wishes to record the accompanying plan and requests a determination and endorsement by said Board that approval by it under the Subdivision Control Law is not required. The undersigned applicant believe that such approval is not required for the following reasons:

*(Check off applicable statements and fill in blanks to complete the applicable as well as the required statements.)*

- 1. The accompanying plan is not a subdivision because the plan does not show a division of land.
- 2. The division of the tract of land on the accompany plan is not a subdivision because every lot shown on the plan has frontage of a least such distance as is presently required by the Burlington Zoning Bylaw under Section 5.2.0, "Density Regulation Schedule" which requires 20 feet of continuous, uninterrupted frontage for erection of a building on such lot in the Planned Development Zoning District; and every lot shown on the plan has frontage on:

2.1 A public way or way which the Town Clerk certifies is maintained and used as a public way, namely:

\_\_\_\_\_  
 (name of way) **OR:**

2.2 A way shown on a plan thereto approved and endorsed in accordance with the Subdivision Control Law, namely:

Corporate Drive  
 (name of way) **OR:**

2.3 A private way in existence on July 19, 1960, the date when the Subdivision Control Law became effective in the Town of Burlington, which has sufficient width, suitable grades and adequate construction to provide for the needs of vehicular traffic in relation to the proposed uses of the land abutting the way and for the installation of municipal services to serve the lot(s) and the building(s) erected or to be erected thereon, namely:

\_\_\_\_\_  
 (name of private way)

- 3. The division of a tract of land on the accompanying plan is not a subdivision because it show a proposed conveyance which changes the size and/or shape of the lot(s) in such a manner that frontage is not affected.

4. The division of the tract of land shown on the accompanying plan is not a subdivision because two or more buildings were standing on the land prior to July 19, 1960, the date when the Subdivision Control Law went into effect in the Town of Burlington and one of such buildings remains standing on each of the lots as shown and located on the accompanying plan. Evidence of the Subdivision Control Law is submitted as follows (attach documentation and list items included in that documentation below):

5. Other reasons or comments (See M.G.L., Chapter 41, Section 81-L and 81-P):  
The proposal involves the adjustment of internal lot lines and frontage but the final configuration remains compliant with the minimum frontage requirements for the applicable PD Zoning District

6. The owner's title to the land is derived under deed -

from MEPT Burlington, LLC, dated 9/27/2013,

recorded in Middlesex South Registry of Deeds,

Book 62707, Page 14. **OR**

Land Court Certificate of Title No. \_\_\_\_\_,

registered in \_\_\_\_\_ Registry District of Land Court,

Book \_\_\_\_\_, Page \_\_\_\_\_ and

on the Town of Burlington Assessor's Map (s) 36, as Parcel (s) 2-1 and 2-2.

7. The undersigned certifies that he/she does not own in whole or in part any land contiguous to this parcel except as shown on the following plans:

"Site Development Plans, The Residences at Burlington Centre, 20 Corporate Drive - Burlington, MA"  
prepared by Tetra Tech dated 7/22/2016, Revised to 4/27/2017

8. The undersigned further certifies that neither this parcel nor the above described contiguous land has been previously submitted to any Planning Board or Board of Survey for Approval as a subdivision or determination as a "Non-Approval", except as follows:

"ANR Subdivision Plans of Land Being a Subdivision of Lots 2,3,4 and 7 on Plan 26423C and Lots 21 and 22 on Plan 26374 I, Dated April 16, 2003 and revised 7-22-2009" filed as Plan 26423D.
