

Make a Bug Hunt Jar

1. Find a clear container in your recycling bin
2. Clean out any food particles and peel off any paper on the outside
3. Find a covering for it:
 - Use the original lid
 - Or some aluminum foil or plastic
 - Or a piece of cloth
4. Poke holes in the covering (*with adult help*)
5. Attach it to the Bug Jar (*with an elastic if necessary*)
6. Add a few leaves if you would like
7. You are all set for your BUG HUNT - Have fun!
