**Historical Museum Lift:**

Discussion about the museum handicap accessibility issues: Ideas of Use of temporary ramps, virtual tours, moving the museum items to a larger, fully handicap accessible location. These are just the board's thoughts as to different ways to go about making the museum accessible.

**Restroom Human Services Building:**

Discussion about the Human Services building bathrooms on first level not handicap accessible. Commission would like to reach out to DPW to see what can be done. Also baby changing station in the first floor bathroom is not in a good location as it impedes use of the handicap stall.
