This directory was compiled to assist individuals and retail food businesses to find optional training programs and/or examinations for compliance with the food protection management certification requirement in 105 CMR 590.003(A)(2). Trainers listed in this directory:

1) meet the recommended instructor qualification identified in the Massachusetts Guideline for Food Protection Manager Training Programs,

2) use one or more of the Food Protection Manager Certification exams recognized in Massachusetts. The exams are provided by one of the five accredited test development organizations listed below, and

3) include in their training, the provisions of 105 CMR 590.000 that are unique to Massachusetts.

When choosing a trainer, we strongly recommend that you contact as many trainers as possible and obtain the following information:

- Examination offered (see list below)
- Length of training/class schedules
- Cost of exam and/or training
- Educational background of the trainer
- Food safety experience of the trainer
- References from previous students

**Massachusetts Food Protection Manager Certification Exam and Trainer Directory**

The Massachusetts Department of Public Health does not in any way endorse or recommend any of the individuals or organizations presented on this list nor does the Department preclude anyone not on the list from conducting food safety training. The Department does not evaluate trainers and does not guarantee the success of their programs. Please note that this is not a comprehensive list and, although it is periodically updated, there is no guarantee that all information is current. You may also contact industry and regulatory organizations as well as telephone directories for further listings. Please note that all exams recognized by the Department carry a five-year expiration date. Directory last updated on 09/18/17.
