*Phase I stabilized the structure. Phase II will finish the interior with help from the Students of the Shawsheen Valley Technical High School. They are underway installing heating, plumbing, mechanical and electrical systems, insulation, sheetrock, and other interior elements. Phase III is underway to recreate the Barn by the Fall of 2011. The barn will be an exterior replica and a large modern community room interior. The barn will be available for the residents, business community, civic organizations, and Town Departments of Burlington to use once completed. Phase IV will complete the landscaping, site work, drainage, parking etc in 2012.*
