Library Display for Holidays

Budget
   Annual report
   New Members?

Other

Business cards for the Commission Members
Storage Unit Inventory
Historical Commission Website
Email address for Members
Tombstone cleaning
The meeting was called to order at 7:05 p.m. by Chair, Joyce Fay. In attendance were Mike Tredeau, Joyce Fay, Sandy Coveno, Kathy Horton. Guests were Mike Runyan, Selectman, Jonathon Sachs, a Boy Scout Leader and boys from Boy Scout Troop 103. The Boy Scouts led us in the Pledge of Allegiance.

Jonathon Sachs was taken out of order and discussed the proposed sculpture park. He suggested the field beside Grandview Farm as a location. Some Commission members felt that this was not a good choice as the sculpture park was too modern and Grandview was traditional. Some other locations were discussed.

Mike Runyan then discussed the Facilities meeting that he attended. The necessary repair to the West School is all set. We will need a warrant to improve handicap access and to renovate the Museum basement. Mike Runyan will talk to Frank to find out why the Commission must do this instead of the town. Since there is plenty of space at Overlook Park for storage, the Commission will have to justify the need for a shed in rear of the West School.

The Secretary’s Report was read, amended and accepted as amended.

The Treasurer’s Report was read and accepted.

Commission members were asked to read the Annual Report and make any corrections or additions.

A Beanie Baby collection, a penny scale and a crock have been donated to the Museum.

A highchair has been restored. Some great books on History, Antiques, and Country Living have been added to the bookshelves in the resource area at the Museum.

The meeting was adjourned at 9:08 p.m.

Respectfully submitted by Sandra J. Coveno, in the absence of Mary K. Nohelty
