

To whom it may concern.

BGR Hospitality is local Hospitality company that just happens to run restaurants. We currently have the franchise rights for Massachusetts, Rhode Island, New Hampshire and Maine for Blaze Pizza. Our Office is located in Milford Massachusetts to keep us close to our operations.

We plan on developing between 25-40 Blaze Pizza restaurants across the area. Blaze is a new concept to the area giving people an option for fresh super-fast pizza for lunch. The concept similar to a subway or chipotle allowing the guest to pick and choose from a wide variety (40+) of ingredients as they move down the line and build their own individual pizza. The guest also can order one of our 8 signature pizzas. Both options with unlimited topping is just about 8 bucks. The best part when you are done ordering we cook your pizza in a very, very hot gas oven in about 3 MINUTES. Yes 180 Seconds. The pizza is about 11 inches and is the perfect size for lunch or dinner. The concept is fun and trendy. Each one of our locations employs between 35-50 employees. We are targeting the Burlington location to be our 4<sup>th</sup> location in the area. Currently we have two locations in Boston and one in Cambridge. Just after the first of the year we will also be expanding to Cranston Rhode Island and Nashua New Hampshire. We as a company love the Burlington market for our concept and think we would be a great fit for the community.

I would be more than happy to answer any further questions or address and concerns.

Sincerely;

Matt Giroux

Chief Development Officer
