Agenda:

- Discuss timing of installations and public event in view of pandemic
- Review installation requirements from various sculptors
- Look for other actions items needed

Submitted by Jon Sachs, Chair
DEPT./BOARD: Sculpture Park Committee

DATE: April 21, 2020

TIME: 7:30am

PLACE: Online via Public Zoom Video Conference

MEMBERS IN ATTENDANCE:

George Ratkevich, High School
Michael Wick, Library Director
Jonathan Sachs, Chair, Town Meeting
Dr. Elisa Adams, NESA

Minutes:

We reviewed which of the 6 selected sculptors still needs to send us installation specifications and arranged to contact the one whose information is still needed.

We discussed that the date for the installation and public event could push as far back as midsummer, fall, or even next year, entirely dependent on the course of the pandemic and public policy.

Jon will contact each of the six sculptors to inform them that the project WILL go ahead, but that timing is necessarily an open question.

We discussed the possibility of having online events during the period before the park is installed in order to keep up interest and further the profile of public art in Burlington. Jon will query the sculptors as to their interest in participating in possible online events. Jon will also check with BCAT to see if they are interested in working with us on this.

Next meeting is set for **Tuesday, May 12, 2020**, via Zoom: https://zoom.us/j/2915620966

Jon Sachs,
Chairman
