BURLINGTON SIDEWALK COMMITTEE MINUTES
May 6, 2019
Grandview Farm

In attendance: Chr. Steve Morin, Adam Senesi, Millie Nash

The major thrust of our discussion was what to present at the May Town Meeting and what we might better present in September:

For the May Town Meeting, we’d have a brief recap of our progress, thanking all those who gave input to us (BOS, Planning Department, residents [and School Committee yet to be done]) and giving an overview of the survey findings, then announcing a further, more widely heralded public meeting for June 11th (after our committee meeting on June 3).

The June 11 meeting should be held in the School Committee Room or Town Hall’s main meeting room so that it can be televised by BCAT. (Adam will check on this.) We would report the findings to date and begin to prioritize the many sidewalk issues—with visuals discussed and garnering feedback.

At the September Town Meeting we would present a full report of the Sidewalk Committee, including a policy statement and sidewalk priorities—and hoping to present a financial article at the January Town Meeting. (Free Cash and the Stabilization accounts seem possible sources for sidewalk costs.)

Our next meeting: June 3, 2019, 7 p.m., Grandview Farms.
