Transferred development rights may be used for residential or nonresidential uses.

Development rights may not be transferred from land which may not be otherwise developed because of deed restrictions, easements, prior transfer of development rights, or other reasons that render the land not developable, including land with conservation restrictions, land owned by a government agency or a nonprofit corporation or other entity for park, open space, agricultural, historical, or conservation purposes.

Transfer of development rights is contingent upon placing a permanent deed restriction, the form of which is subject to approval by Town Counsel, on the land from which the development rights are being transferred and restricting the use of the land to agriculture, forestry, open space, passive or active recreation, or deeding the land to the Town of Burlington as permanent open space or parkland.
