13th Annual Truck Day

Once again on September 19, 2010 between the hours of 10:00 am until 3:00 pm Burlington will be hosting it's 13th Annual Municipal Truck Day. The event will be held on the Burlington Town Common. Everyone sees these trucks coming and going down the streets of Burlington cleaning, plowing, towing, delivering lumber, cement, oil, sand, people, and responding to fires. They never get to see them up close.

Not only can they see them up close but in most cases, blow the horn, sit in the driver's seat, and look the truck all over. In years past years thousands of children have been awed by these massive trucks. This is a great tribute to those who serve us every day.

Again local groups will be serving the refreshments for a small fee. This is your chance to support these local organizations. For additional information you can call Al Fay 781-272-2516, Wally DeCost 781-2724557, Doug Gillingham 781-270-1600
