FY20121 Town Budget Overview  

John Danizio and Whitney Haskell summarized the town side of the 2021 budget scorecard. Some adjustments have been made to various departments, which will each brief the committee at later dates. The schools operating budget and the accommodated or fixed costs (health insurance, tuition, transportation, etc.), are not currently included as they are still working on them, but they expect them to fall within their projections. On the FTE charts for 2021, some upticks include adding an additional patrolman to the police department, 2 additional employees in Public Works for the water sewage, and the expansion of a part-time position in the Town Clerk’s office to a full-time position.  

Approval of Minutes from 1/15/2020  

Motion made and vote passed, 12-0-0.  

Adjourn, vote passed 13-0-0.
