The Conservation Commission hereby adopts the following Fee Structure as a component of the issuance of an Erosion and Sedimentation Control permit in the Town of Burlington, pursuant Article XIV, Section 6.6.D of the General Bylaws of the Town of Burlington. Such Regulations shall be effective on and after, September 13, 2007.

**FEE SCHEDULE**

For sites which propose a land disturbing activity:

- **Equal to or greater than 10,000 ft\(^2\) but less than 20,000 ft\(^2\)**
  - $100.00

- **Greater than 20,000 ft\(^2\)**
  - $100.00 + $10.00 per/1,000 ft\(^2\) over 20,000 to maximum of $1,000.00

Technical Review Fee may be requested by the Commission/Board for professional technical review, if needed. The Commission / Board is authorized to retain a Registered Professional Engineer or other professional consultant to advise the issuing Commission/Board on any or all aspects of these plans as provided by G.L.c. 44, Section 53G.

Applicants must pay all review fees due before a permit will be issued. The Commission/Board will not be subject to final action deadlines if the appropriate fees have not been paid.
