Hands-On with Hand-Held: Getting started with GPS

Please join the Burlington Conservation Stewards and L.L. Bean's Outdoor Discovery School for an informal hands-on workshop using hand-held GPS units for navigation and mapping. Our guides will show you how to use these "handy" tools while you explore one of Burlington's beautiful Conservation Areas. Please bring your GPS unit and get outside, enjoy the fresh air, and explore the outdoors with BCS and L.L. Bean.

September 25, 2010

10:00am - 11:30am

Sawmill Brook Conservation Area

Parking at the Fox Hill School
