Library Community Survey

The Burlington Public Library is releasing a community survey, as a part of the library's strategic plan. The survey will only take about 10-15 minutes of your time and your input is incredibly important to us. The library relies on your response as a part of our strategic planning process, which will direct what we are doing over the next five years. This is your opportunity to tell us what we're doing right (or wrong) and what you would like to see your library doing. The survey will be open from now until July 2. Please follow the link at:

Library Closed Wednesday, July 4th

The library will be closed Wednesday, July 4th for Independence Day. We will reopen Thursday, July 5th at 10 am.
