## Narrative:

Late Entry - At approximately 12:47 a caller reported suspicious men soliciting chimney repair services at the home of a senior citizen. Two men left the scene but were later spotted driving aggressively on Wilmington Road. Lieutenant Mills reports one of the involved parties in this case has a history of chimney repair scams.

Residents are asked to **\*\*immediately\*\*** report anyone soliciting door-to-door who has NOT properly registered with the Burlington Police Department. Criminals are constantly targetting senior citizens with scams. The most common door-to-door scams in recent history have involved various home repair and driveway paving scams. The scammers will often do shoddy work while charging excessive fees and/or attempt to gain entry into homes to take cash, medications, checks, jewelry and portable electronics.

Senior citizens are especially vulnerable to this type of activity and need to be especially vigilant.
