If you think the staff should be aware of any medical, physical or emotional conditions about the participant, please provide information on the registration form. The only time you will hear from us is if your program is full, cancelled, you get your second choice, or there is a change in day or time. MISCELLANEOUS
Please be sure your child is dressed for the weather and have sunscreen, water, and their racquet. If your child needs extra support this summer, please let us know or call the Recreation Department.
All staff are certified in First Aid and CPR and are able to administer it, if necessary. Please be sure to note any allergies, illnesses, or medications your child has when registering. Your child should bring anything they may need, like inhalers or Epi-Pen, and know how to use it.

**EXPECTATIONS**

Your child’s safety is the most important thing for the staff. By meeting our expectations, we can all have a safe, fun summer. Here are a few of our main rules:

1. Be respectful of everyone at the park.
2. Follow instructions given by staff or volunteers.
3. Keep your hands to yourself.

Expectations will be communicated to the children and altered as needed. Children who do not adhere to the expectations will have to sit out of the activity for a short period of time. If issues escalate, the Recreation Department and parents will be notified to determine next steps.
