

BEDFORD – BILLERICA – BURLINGTON
Construction of Phase II of the Middlesex Turnpike Extension

December 8, 2010

Please note that construction of the above referenced project will begin on Monday December 13, 2010.

The first item of work will be to re-align traffic on Middlesex Turnpike to enable a work zone to be created. This work zone will enable the construction of the east side widened portion of the project (odd numbered side).

We have attached a proposed schedule of work operations to this notice. All dates and locations are approximate and are subject to modification based on weather and site conditions.

We will provide updates to the various cities and towns that the project affects.

Any questions or concerns should be directed towards the MassDOT representative:
