

Note:
 These maps are a digital form of maps that have been prepared by the Assessor, Planning, Zoning and Public Works Departments and the State Highway Inventory Board and Plans from the Middlesex South Registry of Deeds.
 The main intent is to reflect the relative positions of various parcels of land to one another for assessing purposes and do not in any manner represent a field survey. While great care was taken to prepare these maps, the Assessor does not warrant the accuracy as to the scale or dimension depicted.
