

Note:  
 These maps are a digital form of maps that have been prepared by the Assessor, using aerial photography, County and State Highway Information System Data, and Plans from the Middlesex South Registry of Deeds.  
 The main intent is to reflect the relative position of various parcels of land to one another for assessing purposes and do not in any manner represent a field land survey. While great care was taken to prepare these maps, the Assessor does not warrant the accuracy as to the scale or dimension depicted.
