Minutes

Chairman Curtin called the meeting to order at 3:32 p.m.

Others Present: Scott McCoy, John Carroll and Patrick Furze from FMC, Paul Mansfield and Karen Lee Stock from Winchester figure skating. Bob Concession and Marty Conley from BHS.
Scott Busby from BHSA.

The chairman asked Scott McCoy when he needed a schedule for next season completed. Scott asked to have it done by June 1, 2018. The chairman asked each group what changes they could live with to help all groups figure out a reasonable schedule for the fall with the early start times for the high school students.

Winchester Figure Skating club said they need 6 hours per week and host test sessions for 120 plus skaters. They cannot suspend their hours during the high school hockey season or they would be out of business. Some of their skaters also play for the girls High school team. 40% of their members are from Burlington and 80% of their skaters come from the BHSA figure skating program. They need a maximum 19 kids on the ice per hour to make it financially. They are willing to move days to help.

The BHSA said 100% of their skaters are from Burlington. They started a Jr. Devils program as a feeder on Wednesdays @ 5pm. 235 of their skaters are under the age of 10. All late hours will impact their program. Friday nights are re-sold to the valley league so those hours would be available to use.

Meeting was adjourned at 4:50. Next Meeting is scheduled for April 10, 2018 at 3:30.

Respectfully Submitted,

Brian Curtin
