Discussed the FY22 budget for the Planning Department. The budget is level funded with the 2.63% increase being payroll increases dictated by contract. The subcommittee made sure that the Planning Department had enough funds to continue preparing the town for negotiations on 5G infrastructure. And the subcommittee, during discussion of future needs of the department, learned that more help is needed to enforce the requirements of permits issued by the Planning Board.

Vote on the Planning Department FY22 Budget – 2-0 in support.
