DEPT./BOARD: Ways and Means, REC Subcommittee

DATE: March 17, 2021

TIME: 10:00 a.m.

PLACE: Webex video

---

Present: Doug Davison, Sonia Rollins, Brendan Eagan

### Agenda:

We reviewed departmental budgets for Recreation and Recreation Maintenance (630 and 631) with Brendan Eagan. This is a difficult year because they are trying to continue with level services, deal with COVID, and also go back and restore some of the long term planning that was disrupted last year.

There are no significant new initiatives. There will be a few capital items requested, including the shade structure and equipment initially improved and then taken back off the table due to budget concerns.

The subcommittee reviewed each line item and discussed overall budget items. We approved the budget requests 2-0
