Discussed the FY22 budget for the Building Department. The major issue for this year's budget is the decision not to rehire to fill a now open Local Building Inspector position and to manage the work by increasing the Overtime line item by \$39,000. While the subcommittee was hesitant support such a move, we eventually agreed to this short-term cost savings. The open position is still on the books and can be filled in a subsequent budget year if need be.

Vote on the Building Department FY22 Budget – 2-0 in support.

Adjourned – 9:50 AM
