Discussed the FY22 Local Transportation budget line item. The request is for \$50,000 to cover the costs associated to the new “Uber”like service the town is now providing in place of the B-Line. It is still early in the program, so the amount is an estimate which will be tuned as the actual costs are tracked over the next few years.

Vote for FY22 Local Transportation: 2-0 in support.

Also discussed the FY22 Sealer of Weights & Measures budget line item. The request is level-funded at \$7,800. The contracted service with the state costs \$15,000, but the cost is offset by collected fees.

Vote for FY22 Sealer of Weights & Measures: 2-0 in support.
