Discussion

The A&P group represents the Burlington 48 non-union professional and department heads. They negotiate annually with the administration. The agreement is for a one year 2.5% increase across the group and some changes between higher steps to achieve a 4.5% increase between those steps. The cost is \$208,516.00 and will be funded from the operating budget Negotiated Settlements line item. These increases are consistent with the FY24 union contracts and with current market salary conditions.
