# Know Your Care Options

Health care isn't one-size-fits-all

Knowing where to seek care for your situation can save you time and money. As a Harvard Pilgrim member, you and your dependents have access to a variety of options:

## **When to See Your Primary Care Provider (PCP)**

For annual checkups and physicals, as well as non-urgent needs such as preventive screenings and immunizations, your PCP is best suited to coordinate your care. They may also offer virtual health care services for even greater convenience.

## **When to Use Virtual Care, Through Doctor On Demand**

You can request a virtual visit with a U.S.-based doctor 24/7 for non-emergency conditions such as upper respiratory infection, upset stomach or skin rash using live video or voice call with your smartphone, tablet or computer. You can also access confidential therapy and build an ongoing relationship with the provider of your choice.

## **When to Go to a Retail Clinic**

Retail clinics, such as CVS MinuteClinic® and Walgreens Healthcare Clinic, are a good option when you're experiencing mild symptoms such as an ear infection or skin conditions like poison ivy, and you want a health professional to check it out without an appointment.

## **When to Visit an Urgent Care Center**

You can visit an urgent care center without an appointment for situations that need immediate treatment but are not considered life-threatening, such as minor burns or cuts that may require stitches.

## **When to Visit the Emergency Room**

If you think you're having a medical emergency and your life is in danger, call 911 or go to the nearest emergency room. Examples include severe chest or abdominal pain or serious injury.

# Access Telehealth from Anywhere

# Key Terms

## Coinsurance

This is a fixed percentage of costs that you pay for covered services. For example, if you have a plan with coinsurance, you may have to pay 20% of a provider's bill for your care, while Harvard Pilgrim pays 80%. Coinsurance is usually something you pay after you have paid an annual deductible.

## Copayments

A fixed dollar amount that you pay for a covered medical service, prescription or medication.

## Cost-sharing

Your out-of-pocket costs for services included within your health plan including copayments, deductibles and coinsurance.

## Deductible

The amount you owe or pay out-of-pocket during a coverage period (usually one year) for covered health care services before your plan begins to pay.

## In-Network

Generally, this describes coverage for care that POS and PPO members receive from participating providers in the Harvard Pilgrim network. In-network coverage typically costs less than out-of-network coverage.

## Out-of-Network

Out-of-network coverage applies only to POS and PPO plans. Harvard Pilgrim will cover care that POS and PPO members receive from non-participating providers, but it usually costs more than in-network coverage.

## Out-of-Pocket Maximum

This is a limit on the total amount of cost-sharing you have to pay annually for covered services. This generally includes copayments, coinsurance and deductibles. After you meet your out-of-pocket maximum, Harvard Pilgrim will pay all additional covered health care costs.

## Premium

This is the monthly cost of your health insurance coverage.

## Prior Authorization (PA)

The need for your provider to tell us why it is medically necessary for you to receive a covered medication or service.

## Tier

Medical plans often place providers and hospitals in different categories, or tiers, with different cost-sharing amounts. Typically, you'll save money when you see Tier 1 providers.

- For details and more key terms, go to [harvardpilgrim.org/keyterms](http://harvardpilgrim.org/keyterms)

# Important Information About Your Plan

The following information refers to plans offered by Harvard Pilgrim Health Care and its affiliates ("Harvard Pilgrim").

## When You Need Care

If your doctor admits you to a hospital for a test, surgery or other procedure, including admission for surgical day care, hospital representatives are responsible for notifying Harvard Pilgrim on your behalf. There are a few procedures that require Harvard Pilgrim's authorization, and your doctor is aware of the procedures they must discuss with us before they take place.

To find out where our participating doctors admit patients, visit our online directory at [harvardpilgrim.org/member/login](http://harvardpilgrim.org/member/login). Or you can call one of the phone numbers at the end of this document to have one of our representatives assist you.

Harvard Pilgrim requires prior authorization (prospective review of medical necessity and clinical appropriateness) for selected medications, procedures, services and items. The prior authorization process is used to verify member eligibility and facilitate the appropriate utilization of these elective, non-urgent services. Visit [harvardpilgrim.org/member/login](http://harvardpilgrim.org/member/login) to see Prior Authorization for Care details.

When you're in the hospital, Harvard Pilgrim's nurse care managers are available to work with your doctors and other providers to ensure that you receive the care you need. They may evaluate the quality and appropriateness of the services you receive, and when you no longer need hospital care, will work with your medical team to coordinate the services you need in an appropriate clinical setting (e.g., at home, or in a skilled nursing or rehabilitation facility).

In situations where Harvard Pilgrim was not notified of services (e.g., when a member was unable to give insurance information to providers), a post-service review may be completed to evaluate proper use of services or to identify quality of care issues.

## Appeals

You may file a complaint about a coverage decision or appeal that decision with Harvard Pilgrim. For details, see your Benefit Handbook.

To access your Benefit Handbook online, log into your secure online account on [harvardpilgrim.org/member/login](http://harvardpilgrim.org/member/login), click on More Tasks from your Member Dashboard and select View My Plan Documents under Documents. For assistance, call Member Services at **888-333-4742**.

# Footnotes

- 1 Some features are website features integrated into the mobile app: change PCP, ID Card, Other Documents, Plan Documents. Other features while offered on the website, function differently on the mobile app: claims, eligibility and deductible tracker, and provider search.
- 2 Estimating costs feature is not available on the mobile app.
- 3 To help avoid unanticipated costs, always choose providers within the Harvard Pilgrim network. If your plan requires you to use in-network healthcare providers, check with your PCP, who can assist in coordinating your care. Member cost sharing may apply. Members should refer to their plan documents for specific details regarding their coverage and benefits.
- 4 Prices are generated by HealthTrio and Harvard Pilgrim. They are personalized estimates and may not reflect the actual total price. The estimates are based on the details of your Harvard Pilgrim plan as of today. If there is not enough cost information available for your specific plan, the pricing you see will be based on the experience of a wider range of Harvard Pilgrim plans. In these cases, the amount shown may be less accurate than a cost estimate based on your specific plan. Also, the actual cost may differ if you receive additional services, your coverage changes, or the provider bills the service differently. It's important to note that you should not rely only on this or any other price estimate to make your health care purchasing decisions. Please note that some services may require a referral from your primary care provider or prior authorization before you receive the service. Member cost sharing may apply. Members should refer to their plan documents for specific details regarding their coverage and benefits.
- 5 In case of emergency, please call **911** or visit the nearest emergency department. Doctor On Demand virtual care services are available to Harvard Pilgrim Commercial members. Member cost sharing may apply. Members should refer to their plan documents for specific details regarding their coverage and benefits.
- 6 This excludes U.S. territories (Puerto Rico, Guam, U.S. Virgin Islands).
- 7 Doctor On Demand physicians do not prescribe Schedule I-IV DEA controlled substances and may elect not to treat or prescribe other medications based on what is clinically appropriate.
- 8 The Healthy Weight program is available to eligible fully insured members (group and individual commercial plans). For self-insured accounts, program eligibility and benefits may vary by employer, plan and state. An annual medical claim for nutritional counseling services will be submitted by the Healthy Weight program for engagement in the program. Under federal and state law, many preventive services and tests are covered with no member cost sharing; please see the Preventive Services Notice at [harvardpilgrim.org/member/login](http://harvardpilgrim.org/member/login) for a complete list of preventive services. Your engagement in the Healthy Weight program with registered dietitian coaches is designated as preventive services.
