Food Code 3-602.11 Labeling Requirements

All residential/cottage kitchen food products shall have the following information on every label affixed to the food wrapped product, box or container:

- Name of the Residential/Cottage Kitchen operation (business name),
- Address of the Residential/Cottage Kitchen operation,
- Ingredients of food product, in descending order of predominance by weight,
- The net weight or net volume of the food product, and
- Allergen information (if applicable).

Please note: Nutritional labeling as specified by federal labeling requirements is required if any nutrient content claim, health claim, or other nutritional information is provided.
