

BurlingtonScripts

BurlingtonScripts offers certain Brand Name medications at NO COST to participants. This program is available to eligible Employees, Retirees and Dependents of the Town of Burlington (MA).

- The BurlingtonScripts program offers 250+ Brand Name maintenance medications.
- Medications are dispensed in 3-month quantities and mailed direct to members.
- All costs (including shipping) are covered by your benefit plan.

FOLLOW THESE STEPS TO START SAVING NOW!

STEP 1:

Check to see if your medication is offered. The medication listing can be found in the enrollment package and at www.BurlingtonScripts.com - or call **1-866-893-6337** and speak with a representative who can check to see if your medication is available and answer any questions about the program.

STEP 2:

Ask your physician for a prescription for a **3-month supply**, with **3 refills**.

NOTE: Before ordering through Canarx, you must have taken your prescribed medication for at least **30 days** - this is to ensure the medication is having the desired effect.

STEP 3:

Submit a completed **enrollment form**, **prescription**, and a copy of your **photo identification**.

- ✓ **ENROLLMENT FORM:** FAX to: 1-866-715-6337 - **or** - UPLOAD to: www.CanarxDocs.com (secure site) - **or** - MAIL to: P.O. Box 3009, Windsor, Ontario Canada N8N 2M3.
- ✓ **PRESCRIPTION:** MAIL original prescription (to address above) - **or** - FAX to: 1-866-715-6337 (must be faxed directly from the physician's office).
- ✓ **PHOTO IDENTIFICATION:** MAIL (to address above) - **or** - UPLOAD to: www.CanarxDocs.com (secure site).

STEP 4:

Medication will be mailed direct to your home. Please allow **4 weeks** for delivery. When it's time for a refill, we call you 30 days in advance to check the on-hand quantity and, if required, process a new order.

\$0 COPAYS!

FREE Brand Name Medications

BurlingtonScripts is a voluntary **international mail-order program** provided through Canarx that is offered in addition to the current prescription drug coverage. Medications are dispensed and shipped from government-licensed pharmacies in **Canada**, the **United Kingdom** and **Australia** (Tier-One countries).
